

curriculum vitae

KRISTEN A. LINDQUIST, Ph.D.

University of North Carolina
Department of Psychology and Neuroscience
Davie Hall 321
Campus Box 3270
235 E. Cameron Ave
Chapel Hill, NC 27599

EDUCATION

2010-2012

Postdoctoral Fellow, Mind/Brain/Behavior Institute

Harvard University, Cambridge, MA
Department of Neurology, Harvard Medical School, Boston, MA
Martinos Center for Biomedical Imaging, Charlestown, MA
Department of Psychology, Harvard University, Cambridge, MA
Advisor: Bradford Dickerson, M.D., M.M.S.C.

2004-2010

Ph.D., Psychology

Department of Psychology
Boston College, Chestnut Hill, MA

Advisor: Lisa Feldman Barrett, Ph.D.

Dissertation: The brain basis of emotion: A meta-analytic review

2000-2004

A.B., Psychology and English

Departments of Psychology and English
Boston College, Chestnut Hill, MA

Advisor: Lisa Feldman Barrett, Ph.D.

Honors thesis: Language and emotion perception

PROFESSIONAL EXPERIENCE

- 2022-** *Director*, Social Psychology Program, Department of Psychology and Neuroscience, University of North Carolina, Chapel Hill
- 2022-** *Professor*, Department of Psychology and Neuroscience, University of North Carolina, Chapel Hill
- 2018-2022** *Associate Professor*, Department of Psychology and Neuroscience, University of North Carolina, Chapel Hill
- 2013-** *Faculty*, Biomedical Imaging Center, School of Medicine, University of North Carolina, Chapel Hill
- 2012-** *Affiliate Faculty*, Curriculum in Neurobiology, School of Medicine, University of North Carolina, Chapel Hill
- 2012-2018** *Assistant Professor*, Department of Psychology and Neuroscience, Social Psychology, University of North Carolina, Chapel Hill

HONORS

- 2023 Elected President-Elect, Society for Affective Science
- 2021 Elected Fellow, Association for Psychological Science
- 2018 Teaching commendation, UNC Department of Psychology and Neuroscience (Fall)
- 2018 Teaching commendation, UNC Department of Psychology and Neuroscience (Spring)
- 2017 Teaching commendation, UNC Department of Psychology and Neuroscience (Fall)
- 2016 Teaching commendation, UNC Department of Psychology and Neuroscience (Fall)
- 2016 UNC Office of the Provost Johnston Excellence in Teaching Award
- 2016 UNC Neuroscience Club "Neuroscience Advancement Award" for connecting neuroscience to people of all ages
- 2016 UNC IBM and R.J. Reynolds Industries Junior Faculty Development Award
- 2015 Elected Fellow, Society of Experimental Social Psychology
- 2015 UNC Neuroscience Club "Outstanding Contribution to Undergraduates in the Advancement of Neuroscience" Award
- 2013 Association for Psychological Science Rising Star Award
- 2013 UNC Undergraduate Psychology Club "Faculty Research Mentor" Award
- 2013 Teaching commendation, UNC Department of Psychology (Fall)
- 2013 Teaching commendation, UNC Department of Psychology (Spring)
- 2010 Harvard University Mind/Brain/Behavior Postdoctoral Fellowship
- 2010 PhD commencement representative, Boston College Graduate School of Arts and Sciences
- 2010 Boston College Donald J. White Teaching Excellence Award
- 2008 Boston College Engelhard Pingree Graduate Research Fellowship
- 2007 Society for Personality and Social Psychology Travel Award

- 2006 Boston College Graduate School of Arts & Sciences Research Achievement Award
- 2005 National Science Foundation Graduate Research Fellowship
- 2005 Society for Personality and Social Psychology Graduate Student Poster Award
- 2004 Phi Beta Kappa Honor Society
- 2004 Psychology Honors, Boston College
- 2002 Golden Key National Honors Society
- 2001 National Society of Collegiate Scholars

RESEARCH INTERESTS AND CURRENT PROJECTS

- Development of socioemotional processes across the lifespan
- The cultural, situated, and idiographic dynamics of emotional physiology, behavior, and experience
- The role of body states (hunger, inflammation, autonomic physiology) and interoception in emotional experiences
- The impact of emotion on social behavior and interpersonal processes
- Variability and structure in the neurophysiology of emotion
- Understanding the neural basis and structure of affect
- The role of language and conceptual knowledge about emotion in the experience, perception, and regulation of emotions

PUBLICATIONS

(* indicates trainee; † shared authorship position)

Preprints and Working Papers

1. Bonar, A.,* & Lindquist, K.A. (invited). The neural architecture of emotion: Links to health and well-being. *Annals of New York Academy of Sciences*.
2. Bonar, A.,* Capella, J.,* Feldman, M.,* Field, N.,* Lewis, K., Prinstein, M., Telzer, E.T., & Lindquist, K.A. (in prep). Neural reactivity to affective pictures predicts adolescents' social network centrality.
3. Dai, J.,* Jorgensen, N.,* Duell, N.,* Capella, J.,* Maza, M.,* Kwon, S.J.,* Prinstein, M.J., Lindquist, K.A., & Telzer, E.H. (revise and resubmit). Neural tracking of social hierarchies in adolescents' real-world social networks.
4. Do, K.T.,* Prinstein, M.J., Lindquist, K.A., & Telzer, E.H. (revise and resubmit). The role of integration of parent and peer attitudes in the development of risk attitudes across adolescence. [\[OSF\]](#)
5. Feldman, M.,* Bliss-Moreau, E., & Lindquist, K.A. (under review). Linking interoception and emotion. *Trends in Cognitive Sciences*
6. Feldman, M.,*† Capella, J.,*† Bonar, A.,* Dai, J.,* Field, N.,* Lewis, K., Prinstein, M., Telzer, E.T., & Lindquist, K.A. (in prep). Neural similarity in ventromedial prefrontal cortex representation of positive images is linked to adolescents' social network proximity.
7. Feldman, M.J.,* Ma, R.,* & Lindquist, K.A. (under review). The role of interoception in emotion and social cognition. In Murphy, J. & Brewer, R. (Eds). *Interoception: A Comprehensive Guide*. Springer.

8. Feldman, M.J.,* Visnubhotla, K.,* Mohammad, S., & **Lindquist, K.A.** (in prep). Taking a county's affective temperature: Individuals' affective dynamics on Twitter predict county-level health metrics.
9. Field, N.,* Armstrong-Carter, E.,* Burnell, K., Fox, K.,* Feldman, M.,* Nick, E.A.,* **Lindquist, K.A.**, Telzer, E.H., & Prinstein, M.J. (under review). Popularity, but not likability, as a risk factor for low empathy: A longitudinal examination between peer status and empathy in adolescence.
10. Frye, N.G.,* Nugeil, T.,* Alvarez, G.M.,* Cohen, J.C., Prinstein, M.J., Telzer, E.H., & **Lindquist, K.A.** (in prep). Functional organization of the allostatic interoceptive network predicts prospective depression in adolescents.
11. Frye, N.G.* & **Lindquist, K.A.** (under review). The neural architecture by which language constructs and regulates emotion. To appear in J. Armony and P. Vuilleumier (Eds). 2nd edition. *The Handbook of Affective Neuroscience*: Cambridge University Press.
12. Leshin, J.C.,* Carter, M.J.,* Doyle, C.M.,* & **Lindquist, K.A.** (revise and resubmit). Language access differentially alters functional connectivity during emotion perception across cultures.
13. Leshin, J.C.,* McCormick, E.M.,* Doyle, C.M.,* Gates, K. M., Nam, C.S., & **Lindquist, K.A.** (under review). Situational and cultural context moderate the brain representation of emotion experience.
14. Leshin, J.C.,* Sheeran, P., & **Lindquist, K.A.** (in prep). A person by situation analysis of emotion regulation strategy use.
15. Maza, M. T.,* Kwon, S.J.,* Jorgensen, N.A.,* Capella, J.* **Lindquist, K.A.**, & Telzer, E.H. (under review). Neurobiological sensitivity to popularity moderates daily links between social media use and affect.
16. Shipkova, M.,* Capella, J.,* Bonar, A.,* Feldman, M.J.,* Field, N.H.,* Prinstein, M.J., Telzer, E.H., & **Lindquist, K.A.** (in prep). The roles of emotional reactivity and regulation in adolescent friendship stability.
17. Shipkova, M.,* Dai, J.,* **Lindquist, K.A.**, & Telzer, E.H. (under review). Developmental affective neuroscience. To appear in J. Armony and P. Vuilleumier (Eds). 2nd edition. *The Handbook of Affective Neuroscience*: Cambridge University Press.

SELECTED KEYNOTE AND COLLOQUIA TALKS

1. **Lindquist, K.A.** (May, 2023). The cultural evolution of emotion. Invited keynote, Annual conference of the Association for Psychological Science, Washington, DC.

2. **Lindquist, K.A.** (February, 2023). Careers in affective science. Invited keynote, Annual conference of the Society for Personality and Social Psychology Emotion Pre-conference, Atlanta, GA.
3. **Lindquist, K.A.** (April, 2023). The subjective experience of emotion. Invited keynote, Annual conference of the Society for Affective Science, Longbeach, CA.
4. **Lindquist, K.A.** (September, 2022). The construction of emotion. Colloquium given at Washington University, Department of Psychology.
5. **Lindquist, K.A.** (September, 2022). The construction of emotion. Colloquium given at Yale University, Department of Psychology.
6. **Lindquist, K.A.** (April, 2022). Deconstructing emotion: The hidden role of language in emotion experience and perception. Colloquium given at the National Research Council of Canada.
7. **Lindquist, K.A.** (April, 2022). Emotions are constructed of more basic networks. Colloquium given at Montreal Neurological Institute Feindel Brain and Mind Seminar.
8. **Lindquist, K.A.** (December, 2021). The physiological hypothesis of emotional aging. Talk presented at Wake Forest University School of Medicine, Sticht Center for Healthy Aging and Alzheimer's Prevention Conference.
9. **Lindquist, K.A.** (June, 2021). The nature of emotion: A modern neuroscience approach. Talk presented at Duke University, Summer Seminars in Neuroscience and Philosophy.
10. **Lindquist, K.A.** (February, 2021). The neural basis of emotion is constructed from domain-general networks. Talk presented at the National Institutes of Health.
11. **Lindquist, K.A.** (February, 2021). Putting the body back in emotion. Colloquium given at University College London, London, UK.
12. **Lindquist, K.A.** (February, 2021). Putting the body back in emotion. Invited talk at the Emotion Preconference of the Society for Personality and Social Psychology.
13. **Lindquist, K.A.** (October, 2020). Putting the body back in emotion. Colloquium given at Duke University, Durham, NC.
14. **Lindquist, K.A.** (April, 2019). The psychological construction of fear. Talk presented at the T & C Chen Center for Social and Decision Neuroscience Symposium, California Institute of Technology, Los Angeles, CA.
15. **Lindquist, K.A.** (March, 2019). Deconstructing emotion: The hidden role of language in emotion experiences and perceptions. Talk presented at the Harvard University Social Psychology Seminar, Cambridge, MA.
16. **Lindquist, K.A.** (September, 2018). The Psychological Construction of Emotion. Talk presented at the University of Michigan Social Psychology Seminar, Ann Arbor, MI.

GRANTS

PRINCIPLE INVESTIGATOR

Neurobiological susceptibility to peer influence and drug use in adolescence (R01DA051127)

MPI: **Kristen Lindquist** (29.16% effort) & Eva Telzer

Direct costs: \$2,499,358

National Institute on Drug Abuse

7/2020-6/2025

*The physiological hypothesis of affective aging (BCS 1941712)*PI: **Kristen Lindquist** (16.67% effort)

National Science Foundation

Direct costs: \$301,006

9/2020-9/2023

*The physiological hypothesis of aging*PI: **Kristen Lindquist** (0% effort)

UNC IDEA grant

Direct costs: \$20,000

6/2019-5/2021

*Advancing a situated neuroscience of emotion (BCS 1551688)*PI: **Kristen Lindquist** (8.33% effort)

National Science Foundation

Direct costs: \$330,786

5/2016-4/2020 (NCE)

*Age-related changes in peripheral physiology and emotion*PI: **Kristen Lindquist** (0% effort)

UNC Junior Faculty Development Award

Direct costs: \$7,500

1/2016-12/2016

*Identifying biomarkers of peer influence susceptibility: Impact for substance use in adolescence*MPI: **Kristen Lindquist** (0% effort) & Mitch Prinstein

UNC A&S Interdisciplinary Initiative

Direct costs: \$10,000

8/2015-5/2016

*Children's development of verbal and perceptual correlates of human emotions*MPI: **Kristen Lindquist** (0% effort) & Misha Becker

UNC Fostering Interdisciplinary Research Explorations

Direct costs: \$25,000

5/2015-10/2016

*Increasing emotion differentiation*PI: **Kristen Lindquist** (0% effort)

UNC Research Council grant

Direct costs: \$5000

5/2014-4/2016

*Affective change in Frontotemporal Dementia*PI: **Kristen Lindquist** (100% effort)

Harvard Mind/Brain/Behavior Institute Fellowship

Direct costs: \$100,000

8/2010-7/2012

*Language and emotion perception*PI: **Kristen Lindquist** (100% effort)

National Science Foundation Graduate Research Fellowship

Direct costs: \$120,000

9/2005-8/2008

CO-INVESTIGATOR*Neural and Molecular Mechanisms Underlying Stress-Induced Inflammatory Responses*Co-I: **Kristen Lindquist** (4% effort)

Direct costs: \$3,100,00

National Heart, Lungs, and Blood Institute

5/2021-4/2026

*Infección de Amor (Love Infection): Online delivery and pilot testing of a dramatized story intervention (telenovela/soap opera) for HIV prevention among Latinas in North Carolina*Co-I: **Kristen Lindquist** (0% effort)

Direct costs: \$50,000

NC TraCS

6/2021-5/2022

*Does the Contemplative Practice of Loving-kindness Propel Prosocial Acts via Increased Neural Integration? A Dynamic Functional Connectivity Approach*Co-I: **Kristen Lindquist** (1% effort)

Direct costs: \$99,940

Mind and Life Institute

12/2020-12/2021

MENTORED AWARDS*The role of peers in the development of emotion regulation in adolescence*

Fellow: Michelle Shipkova

Direct costs: \$121,500

National Science Foundation Graduate Research Fellowship

8/2023-7/2026

Neurobiological impact of acute digital media abstinence among drug using college students

Fellow: Jessica Flannery, PhD

Direct costs: \$215,064

NIDA F32DA057876-01A1

8/2023-7/2026

Age-related differences in neurobiological systems supporting emotion

Fellow: Mallory Feldman

Direct costs: \$115,873

NIA F31AG081073

12/2017-12/2019

Virtual reality mindfulness meditation in patients post-ACL reconstruction

Fellow: Shelby Baez, PhD

Direct costs: \$700,000

NIAMS K23AR079056

1/2023-12/2026

The physiological hypothesis of emotion

Fellow: Adrienne Bonar

Direct costs: \$121,500

National Science Foundation Graduate Research Fellowship

5/2021-4/2024

A situated neuroscience of emotion

Fellow: Joseph Leshin

Direct costs: \$121,500

National Science Foundation Graduate Research Fellowship

4/2018-5/2021

Neural contributions to older adults' embodied emotion experience and regulation

Fellow: Jennifer MacCormack

Direct costs: \$71,188

NIA F31AG055265

12/2017-12/2019

Language and culture in emotion perception

Fellow: Cameron Doyle

Direct costs: \$121,500

National Science Foundation Graduate Research Fellowship

4/2017-5/2020

PROFESSIONAL SERVICE

TO THE DISCIPLINE

EDITORIAL DUTIES

2023- Associate Editor, *Emotion*
2020-2022 Editorial Board, *Psychological Bulletin*
2019- Associate Editor, *Affective Science*
2018- Editorial Board, *Social Cognitive and Affective Neuroscience*
2017-2022 Associate Editor, *Journal of Experimental Psychology: General*
2014-2022 Editorial Board, *Emotion*
2015-2017 Editorial Board, *Journal of Experimental Psychology: General*

REVIEW PANEL AND STUDY SECTION SERVICE

2023 National Science Foundation, Brain and Cognitive Sciences
2022 National Science Foundation, Brain and Cognitive Sciences
2021 National Institutes of Health, Human Complex Mental Function
2021 National Institutes of Health, Special Emphasis Panel on Neuropsychiatric Disorders
2016 National Science Foundation, Brain and Cognitive Sciences
2016 National Institutes of Health, Special Emphasis Panel on Emotion Regulation and Aging

SERVICE TO THE DISCIPLINE

2023-2024 President-Elect, Society for Affective Science
2019-2022 Chair Emotion and Personality; Annual Convention Program Committee, *Association for Psychological Science*
2019 Program Committee Past Chair, annual conference of the *Society for Affective Science*, Boston, MA.
2018 Program Committee Chair, annual conference of the *Society for Affective Science*, Los Angeles, CA.
2017-2018 Executive Board member, *Society for Affective Science*

- 2017 Program Committee member, annual conference of the *Society for Affective Science* to be in Boston, MA.
- 2016 Program Committee member, annual conference of the *Society for Affective Science* to be in Chicago, IL.
- 2015 Program Committee member, annual conference of the *Society for Affective Science*, San Francisco, CA.
- 2015 Co-chair, *Emotion Preconference* of the annual meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- 2014 Co-chair, *Emotion Preconference* of the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- 2013 Co-chair, *Emotion Preconference* of the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.

TO UNC CHAPEL HILL

UNIVERSITY SERVICE

- 2021- Mentor, Carolina Covenant Scholars Program
- 2015 Moderator, Celebration of Undergraduate Research “Health and Wellness” Presentations
- 2014 Office of Undergraduate Research “Modes of Inquiry” presentation
- 2014 Discussion group leader UNC Neuroscience Club
- 2013 Center for Faculty Excellence Future Faculty Fellowship program panelist
- 2013 Presentation to UNC Neuroscience Club

DEPARTMENT OF PSYCHOLOGY & NEUROSCIENCE SERVICE

- 2023 Interim Director, Psychology and Neuroscience Senior Honors Thesis Program
- 2022- Committee Member, Psychology and Neuroscience Senior Honors Thesis Program
- 2022- Director, Social Psychology Program
- 2022- Member, Graduate Education Committee
- 2020-2023 Member, Advisory Committee to the Chair
- 2020-2021 Member, COVID-19 Research Activities Re-opening Committee
- 2020-2022 Co-Chair, Education and Training Subcommittee of the Diversity & Equity Committee
- 2017- Member, Howell Hall Research Facility Use Committee
- 2016- Director, Howell Hall Emotion Induction Research Core
- 2016-2020 co-Director, Howell Hall Physiology Research Core
- 2015-2018 Member, Advisory Committee to the Chair
- 2015 Member, Davie Hall Architectural Planning Committee
- 2014 Panel member, Psychology Dissertation Completion Fellowship
- 2012-2015 Member, Social Psychology Graduate Admissions Committee

2012 Member, Social Psychology Curriculum Committee

TO THE PUBLIC

2016 *What is emotion?* Flyleaf Books “Spotlight on Scholars” presentation
 2015 UNC “First Look” Program for middle school students
 2014 Emotionnews.org blog co-founder and author
 2014 High school student shadow program
 2014-2015 North Carolina Scientific Research and Education Network K-12 Core Curriculum lesson plan development: “*Psychology of emotion: Methods and data analysis.*”
 2013 “*Careers in Psychology and Neuroscience*” talk to high school students, Tahanto Regional High School, Boylston, MA.

TEACHING ACTIVITIES

UNDERGRADUATE COURSES

<i>Emotion</i> (PSYC 568/NSCI 568)	Spring 2021 (32 students) Spring 2019 (32 students) Spring 2013 (32 students)
<i>Psych of Emotion, First Year Seminar</i> (PSYC 68)	Spring 2020 (24 students) Fall 2018 (24 students) Spring 2018 (24 students) Fall 2017 (24 students) Fall 2016 (24 students) Fall 2015 (24 students) Fall 2014 (2 sections of 24 students) Fall 2013 (23 students)
<i>Social Psychology</i> (PSYC 260)	Summer 2018 (14 students) Spring 2014 (176 students)
<i>Independent Research</i> (PSYC/NSCI 395)	Spring 2023 (2 students) Fall 2022 (2 students) Spring 2022 (2 students) Fall 2021 (1 student) Spring 2021 (3 students) Fall 2020 (3 students) Spring 2020 (3 students) Fall 2019 (3 students) Spring 2019 (2 students)

Fall 2018 (3 students)
Spring 2018 (3 students)
Fall 2017 (1 student)
Fall 2016 (3 students)
Spring 2016 (2 students)
Fall 2015 (2 students)
Spring 2015 (2 students)
Fall 2014 (3 students)
Spring 2014 (1 student)
Fall 2013 (2 students)
Spring 2013 (2 students)

Honors Thesis Research Seminar (PSYC 693H)

Fall 2022 (27 students)

Honors Thesis Research (PSYC/NSCI 693/694)

Fall/Spring 2022-2023 (1 student)
Fall/Spring 2021-2022 (1 student)
Fall/Spring 2020-2021 (2 students)
Fall/Spring 2019-2020 (1 student)
Fall/Spring 2018-2019 (1 student)
Fall/Spring 2017-2018 (1 student)
Fall/Spring 2016-2017 (2 students)
Fall 2015/Spring 2016 (2 students)
Fall 2014/Spring 2015 (1 student)
Fall 2013/Spring 2014 (2 students)

GRADUATE COURSES

Social Affective Neuroscience (PSYC 868/876)

Spring 2024 (15 students)
Spring 2019 (2 students)
Spring 2018 (15 students)
Fall 2015 (15 students)
Spring 2013 (9 students)

Research Seminar in Social Psych (PSYC 860)

Fall 2020 (15 students)
Spring 2020 (8 students)
Fall 2016 (8 students)
Spring 2015 (16 students)

Emotion (PSYC 870)

Fall 2013 (16 students)
Fall 2020 (15 students)

GRADUATE STUDENTS SUPERVISED

Michelle Shipkova, B.A.

Natalie Frye, M.A.

Adrienne Bonar

M.A. thesis, Fall 2022: *“Emotional granularity is protective during acute stress”*

Mallory Feldman, M.A.

M.A. thesis, Fall 2021: *“Interoceptive ability moderates the effect of physiological reactivity on social judgment.”*

Comprehensive exams, Fall 2022

Joseph Leshin, M.A.

M.A. thesis, Fall 2020: *“A situated neuroscience of emotion”*

Comprehensive exams, Fall 2018

Dissertation Proposal, Summer 2023: *“The situated neuroscience of emotion”*

Joshua Jackson, Ph.D.

M.A. thesis, Fall 2020: *“Cultural evolution of morality”*

Comprehensive exams, Fall 2019

Dissertation proposal, Fall 2020: *“Moral concept theory: Cultural evolution, social cognition and the bridge from cooperation to morality”*

Dissertation defense, Spring 2021: *“Moral concept theory: Cultural evolution, social cognition and the bridge from cooperation to morality”*

Cameron Doyle, Ph.D.

M.A. thesis, Spring 2017: *“Language supports perceptual symbols for emotion”*

Comprehensive exams, Fall 2018

Dissertation Proposal, Fall 2019: *“Unsupervised classification reveals degenerate neural representations of emotion”*

Dissertation, Spring 2020: *“Unsupervised classification reveals degenerate neural representations of emotion”*

Jennifer MacCormack, Ph.D.

M.A. thesis, Fall, 2016: *“Feeling hangry: When hunger is conceptualized as emotion”*

Comprehensive exams, Fall 2015

Dissertation Proposal, Fall 2019: *“Minding the body: The role of interoception in linking physiology and subjective experience during stress”*

Dissertation, Spring 2020: *“Minding the body: The role of interoception in linking physiology and subjective experience during stress”*

Holly Shablack, Ph.D.

Comprehensive exams, Fall 2016

M.A. thesis, Fall 2017: *“How do children learn novel emotion words? A study of emotion concept acquisition in preschoolers.”*

Dissertation proposal, Spring 2019: *"The psychological construction of anger and embarrassment"*

Dissertation, Spring 2020: *"The psychological construction of anger and embarrassment"*

Kent Lee, Ph.D.

M.A. thesis, Fall 2014: *"Re-interpreting racial attitudes: A psychological constructionist model of racial attitudes"*

Comprehensive exams, Fall 2014

Dissertation proposal, Spring 2017: *"The emergence and consequences of self-focused vs. world-focused experiences of affect"*

Dissertation, Fall 2018: *"The emergence and consequences of self-focused vs. world-focused experiences of affect"*

Elise Rice, Ph.D.

M.A. thesis, Fall 2014: *"Positive emotion and unconscious thought theory"*

Comprehensive exams, Fall 2013

Dissertation proposal, Spring, 2015: *"Positive spontaneous thoughts reflect incentive salience"*

Dissertation, Spring 2016: *"Positive spontaneous thoughts reflect incentive salience"*

MASTERS COMMITTEES (CHAIRER)

Adrienne Bonar, Social Program, University of North Carolina, Chapel Hill (2022)

Natalie Frye, Social Program, University of North Carolina, Chapel Hill (2021)

Mallory Feldman, Social Program, University of North Carolina, Chapel Hill (2021)

Joseph Leshin, Social Program, University of North Carolina, Chapel Hill (2020)

Cameron Doyle, Social Program, University of North Carolina, Chapel Hill (2017)

Holly Shablack, Social Program, University of North Carolina, Chapel Hill (2017)

Jennifer MacCormack, Social Program, University of North Carolina, Chapel Hill (2016)

MASTERS COMMITTEES (SERVED ON)

Maria Maza, Developmental Program, University of North Carolina, Chapel Hill (2023)

Kylie Chandler, Social Program, University of North Carolina, Chapel Hill (2022)

James Capella, Developmental Program, University of North Carolina, Chapel Hill (2022)

Gabrielle Alvarez, Social Program, University of North Carolina, Chapel Hill (2021)

Taylor West, Social Program, University of North Carolina, Chapel Hill (2021)

Joshua Jackson, Social Program, University of North Carolina, Chapel Hill (2020)

Carrington Merritt, Social/Clinical Programs, University of North Carolina, Chapel Hill (2019)

Laura Machlin, Clinical Program, University of North Carolina, Chapel Hill (2017)

Elise Rice, Social Program, University of North Carolina, Chapel Hill (2014)

Brett Major, Social Program, University of North Carolina, Chapel Hill (2014)

Kent Lee, Social Program, University of North Carolina, Chapel Hill (2014)

JaYoung Lee, Human Factors, North Carolina State University (2014)

DISSERTATION COMMITTEES (SERVED ON)

Taylor West, Social Program, University of North Carolina, Chapel Hill (2024)
Jieni Zhou, Social Program, University of North Carolina, Chapel Hill (2023)
Rachael Flatt, Clinical Program, University of North Carolina, Chapel Hill (2023)
Amanda Wylie, Developmental Program, University of North Carolina, Chapel Hill (2023)
Jessica Goldblum, Developmental Program, University of North Carolina, Chapel Hill (2023)
John West, Cognitive Program, University of North Carolina, Chapel Hill (2023)
Gabriella Alvarez, Social Program, University of North Carolina, Chapel Hill (2023)
Tatum Jolink, Social Program, University of North Carolina, Chapel Hill (2023)
Anais Rodriguez-Thompson, Clinical Program, University of North Carolina, Chapel Hill (2023)
Seh Joo Kwon, Developmental Program, University of North Carolina, Chapel Hill (2023)
Allison Scrieber, Clinical Program, University of North Carolina, Chapel Hill (2022)
Shaina Roth, Cognitive Program, University of North Carolina, Chapel Hill (2022)
Aya Avishai-Yitshak, Social Program, University of North Carolina, Chapel Hill (2021)
Kathy Do, Developmental Program, University of North Carolina, Chapel Hill (2021)
Tiffany Foster, Developmental Program, University of North Carolina, Chapel Hill (2021)
